

CRUNCH

THE CRUNCH
YOU CAN'T FORGET

A woman with dark hair styled in a traditional Korean bun (bongae) with white flower ornaments, wearing a white Hanbok with pink floral embroidery on the sleeves and chest. She is holding a piece of fried chicken with red sauce dripping from it with wooden chopsticks. The sauce is dripping into a large bowl of fried chicken topped with green onions. The background is a solid orange color.

That **drip**
says it all
